CORAM : S.C. DHARMADHIKARI, J.

DATE : 13TH OCTOBER, 2006.

P.C.

. The applicant has approached the Hon'ble Sessions Judge at Mumbai apprehending his arrest by Juhu Police station. The learned Sessions Judge, on 13th September, 2006, has passed an order categorically recording that no non-bailable offence has been registered against the applicant/first respondent before The Sessions Judge by Juhu Police station, Bombay. The learned Judge has also recorded that so far no complaint/application has been received by Juhu Police

Station Bombay against the applicant. In such light, the application preferred was disposed of as nothing survives therein.

2. The learned Counsel now states that the applicant apprehends his arrest at the hands of the police at Nigadi Police Station. However, in the application preferred before me, no particulars of any C.R. being registered are disclosed. In such circumstances and without any proper details, it will not be fair to entertain this application. Application is dismissed with liberty to move the appropriate Court in case C.R. is registered at Nigadi Police station.
